A tradition of excellence

Reflecting our values of exceptional design and quality, Hopkins Homes have created a collection of homes that will truly stand the test of time, showcasing our distinct attention to detail and space throughout.

Demonstrating our passion for craft and character, Alconbury Weald embodies a rare combination of traditional building techniques, state-of-the-art technologies and unrivalled design. The result? A collection of contemporary living spaces that guarantee both comfort and flexibility, qualities that are matched only by its enviable location.

These modern interiors are complemented by traditional exterior façades which are pleasing to the eye and heighten the overall curb appeal. This level of care extends away from the home as well, with attention paid to the immediate surroundings and overall street scene. From the new road network boosting residents' access to the carefully planted trees and landscaped green spaces that promote health and wellbeing, it all works hand in hand to create an authentic new neighbourhood that you'll be proud to call yours.

It is not possible in a brochure of this nature to do more than give a general impression of the range, quality and variety of the homes we have on offer. The computer generated imagery, floor plans, configurations and layouts are included for guidance only. The properties may vary in terms of elevational design details, position/size of garage and materials used. Such changes are due to our commitment to creating homes of individual character, although similar to others. We operate a policy of continuous product development so there may be material differences between the accommodation depicted in our literature and that on offer on any particular development or at different times during the progress of any development. Maps not to scale. Computer generated images of property types at Alconbury Weald may not necessarily illustrate that property type in its setting at this development. All internal and external photography of properties depicts previous Hopkins Homes and Hopkins & Moore developments. Other photographs are of the local area or are indicative lifestyle images. 01/20 206082 Designed and produced by thinkBDW 01206 546965.
