Our story.

Discover the Hopkins Home difference - where innovation meets tradition.

Our homes boast open-plan layouts and energy-efficient features to maximise space and minimise costs.

But it's our unwavering dedication to craftsmanship that truly sets our homes and communities apart.

Alconbury Weald

“When we started looking for our dream home, we knew we wanted a new build property that was located in the heart of Suffolk’s countryside but still offered all the facilities and amenities we needed on a day-to-day basis. Thankfully we have got all that and more with our Hopkins home, and it really stood head and shoulders above anything else we looked at.”

Ben and Charlotte Cobbold – Mill Grove, Stowmarket

“Buying your first home is daunting enough but luckily for me, Hopkins Homes was with me every step of the way.”

Ella Dowling – Woodland Rise, Barrow

“We love our new home. The house itself is beautifully designed and finished. All those working on the development are friendly and helpful and nothing has been too much trouble, from supporting us during the purchase through to answering queries in our first few weeks of ownership.”

Sarah Brown – Birch Gate, Wymondham

Make your next move with us.

We are proud to establish new communities, as well as contribute positively to the local environment so that our developments feel part of the existing surroundings, via tree planting and the creation of open spaces.

Contemporary, convenient, and connected living in a landscape prized for centuries.

YOU'LL LOVE EXPLORING THE FOOTPATHS, CYCLE ROUTES AND OPEN SPACES CLOSE TO HOME.

Once owned by Henry VIII, Beaulieu was a majestic royal parkland reserved for the privileged few. The spaces where the king hunted are now parks, meadows, trim trails, and havens for biodiversity where you can walk your dog, exercise, or simply relax.

Beaulieu is a highly desirable modern community designed around individual neighbourhoods with impressive facilities and everything you need within easy reach. In the Beaulieu Square neighbourhood centre, you'll find a four hall community centre where you can meet friends or join in an activity. The many amenities on your doorstep include a dentists' surgery, vets' practice, Sainsbury's Local, nursery, Costa coffee shop and NHS health centre. Football pitches, play areas, cycleways, footpaths, and allotments will ensure everyone can enjoy the fresh air. The beautiful Channels Estate including Channels Bar & Brasserie is under a mile away and is the perfect spot for a meal out or a drink on the terrace.

Hopkins Homes at Beaulieu includes a real jewel, The Ryde, a landscaped corridor teeming with nature. Within our neighbourhood, there will also be a small retail area with a stylish and well stocked convenience store for your everyday essentials.

The exciting cathedral city of Chelmsford has a dazzling array of sporting and entertainment venues and an impressive range of independent and High Street shops. A John Lewis & Partners department store is the centrepiece of the popular Bond Street shopping and leisure area in the heart of the city. There are a host of bars, pubs, and restaurants to suit every taste and a colourful market three days a week. Theatres, a cinema, and clubs form part of the lively cultural scene. Sporting facilities include Riverside Leisure Centre where you can swim, work out or try ice skating. This thriving city is also home to the county cricket ground and Chelmsford City Racecourse for when you want a quintessentially English sporting day out.

Mersea Island

Go Ape Adventure

Close by.

When you want to travel for work or leisure, superb road and rail connections make life easy. The A12, M11, M25 are easy to access, and Stansted Airport is 17 miles away. The new mainline train station at Beaulieu will provide a fast, frequent, and direct service to London Liverpool Street, whether you are commuting, planning to see a West End Show or visit a top sporting event. The Elizabeth Line is accessible via Stratford, which is also home to the Westfield shopping centre. An express bus service links Beaulieu to Chelmsford Station.

There are a host of quaint towns and villages to explore on the edge of the county town of Chelmsford. Enjoy a stroll or a drink in a village pub in Writtle or Roxwell or soak up the history of the local landmarks. Hylands House is a Grade II-listed gem on the outskirts of Chelmsford which hosts events and has 574 acres of parkland with Victorian gardens and ancient woodlands, as well as an adventure playground. If the youngsters still have energy, the Go Ape adventure centre, 8 miles away, is the ideal place to let off steam.

For a day out at a leisurely pace, take a boat trip from the charming Paper Mill Lock on the Chelmer & Blackwater Navigation which connects Chelmsford with the River Blackwater at Heybridge Basin. The beaches and nature reserve of Mersea Island are a 25-mile drive away, or you can visit a landscape which inspired John Constable in the Dedham Area of Outstanding Natural Beauty. Historic Colchester has attractions including its zoo and castle. Braintree Shopping Village features many big-name designer outlets when you want to find a bargain.

Paper Mill Lock

Exceptional education close to home.

Families will love the impressive choice of local education options*. Tots could attend the Bright Horizons nursery in Beaulieu Square, just a mile away, or Beaulieu Park Day Nursery. An inspiring and well-equipped primary school has opened directly opposite our development.

Beaulieu is also home to The Beaulieu Park School, Essex's first all-through school, which was Ofsted rated Outstanding in 2023 and caters for primary, secondary and sixth form pupils. The school operates an innovative longer days timetable to suit modern family life.

The award-winning New Hall independent school is opposite our development and welcomes pupils aged 1 to 18 years. For students, Chelmsford has Anglia Ruskin University and Chelmsford College.

Hylands House

This is our life's work.

Building homes is our vocation, not our job.

From our most experienced colleagues to our new starters, a desire to build a great product is one we all share and are driven by.

Our designers, architects and craftspeople are dedicated to building warm, welcoming and modern homes for the future by using the tried-and-tested housebuilding traditions of the past.

Our experience and attention to detail mean we build homes our families would be proud to live in. We take pride as a team in what we do, the legacies we create and the positive contribution we make to the communities in which we live in.

Homes that will last for generations.

It is not possible in a brochure of this nature to do more than give a general impression of the range, quality and variety of the homes we have on offer. The computer generated imagery, floor plans, configurations and layouts are included for guidance only. The Properties may vary in terms of elevational design details, position/size of garage and materials used. Such changes are due to our commitment to creating homes of individual character, although similar to others. We operate a policy of continuous product development so there may be material differences between the accommodation depicted in our literature and that on offer on any particular development or at different times during the progress of any development. Maps not to scale. Computer generated images of property types may not necessarily illustrate that property type in its setting at this development. All internal and external photography of properties depicts previous Hopkins

Homes developments. Other photographs are of the local area or are indicative lifestyle images. All details are correct at time of printing.

*School places are not guaranteed. Before making a commitment to purchase, please make your own enquiries as to amenities in the immediate/surrounding areas and the availability of school places.

** Hopkins Homes is not responsible for the development, operation, or opening timeline of the Beaulieu railway station, scheduled for 2025.
