The perfect  
place to  
call *home*.

Situated on the outskirts of Bury St Edmunds, between Nowton Park and the picturesque Suffolk countryside, Abbots Vale seamlessly blends rural charm with modern living.

With acres of open space, a network of footpaths and cycleways, a children's play area, informal sports pitches and a proposed primary school on your doorstep, Abbots Vale is more than a development, it's a lifestyle choice. It's the perfect place to call home.

# The best of *both worlds.*

Bury St Edmunds Cathedral

While Abbots Vale offers a peaceful retreat, the vibrant town of Bury St Edmunds is just moments away. Indulge in a wealth of amenities, from charming boutiques to delightful eateries, ensuring you're never far from the convenience of urban life.

Best known for its history and unique attractions, Bury St Edmunds is also the UK's most dog-friendly town. You'll be able to walk through the popular Abbey Gardens showcasing ruins of the former Benedictine Abbey, its landscaped gardens, play areas and tennis courts. There are lots of independent shops, cafés and restaurants to browse, along with all the well-known chains, and a bustling twice-weekly market.

Listed as one of Britain's top 20 foodie hot spots by The Telegraph, Bury St Edmunds is known as the food capital of Suffolk. Whether you're in the mood for fine dining, great pub grub, family-friendly restaurants or cute cafés – Bury St Edmunds has it all.

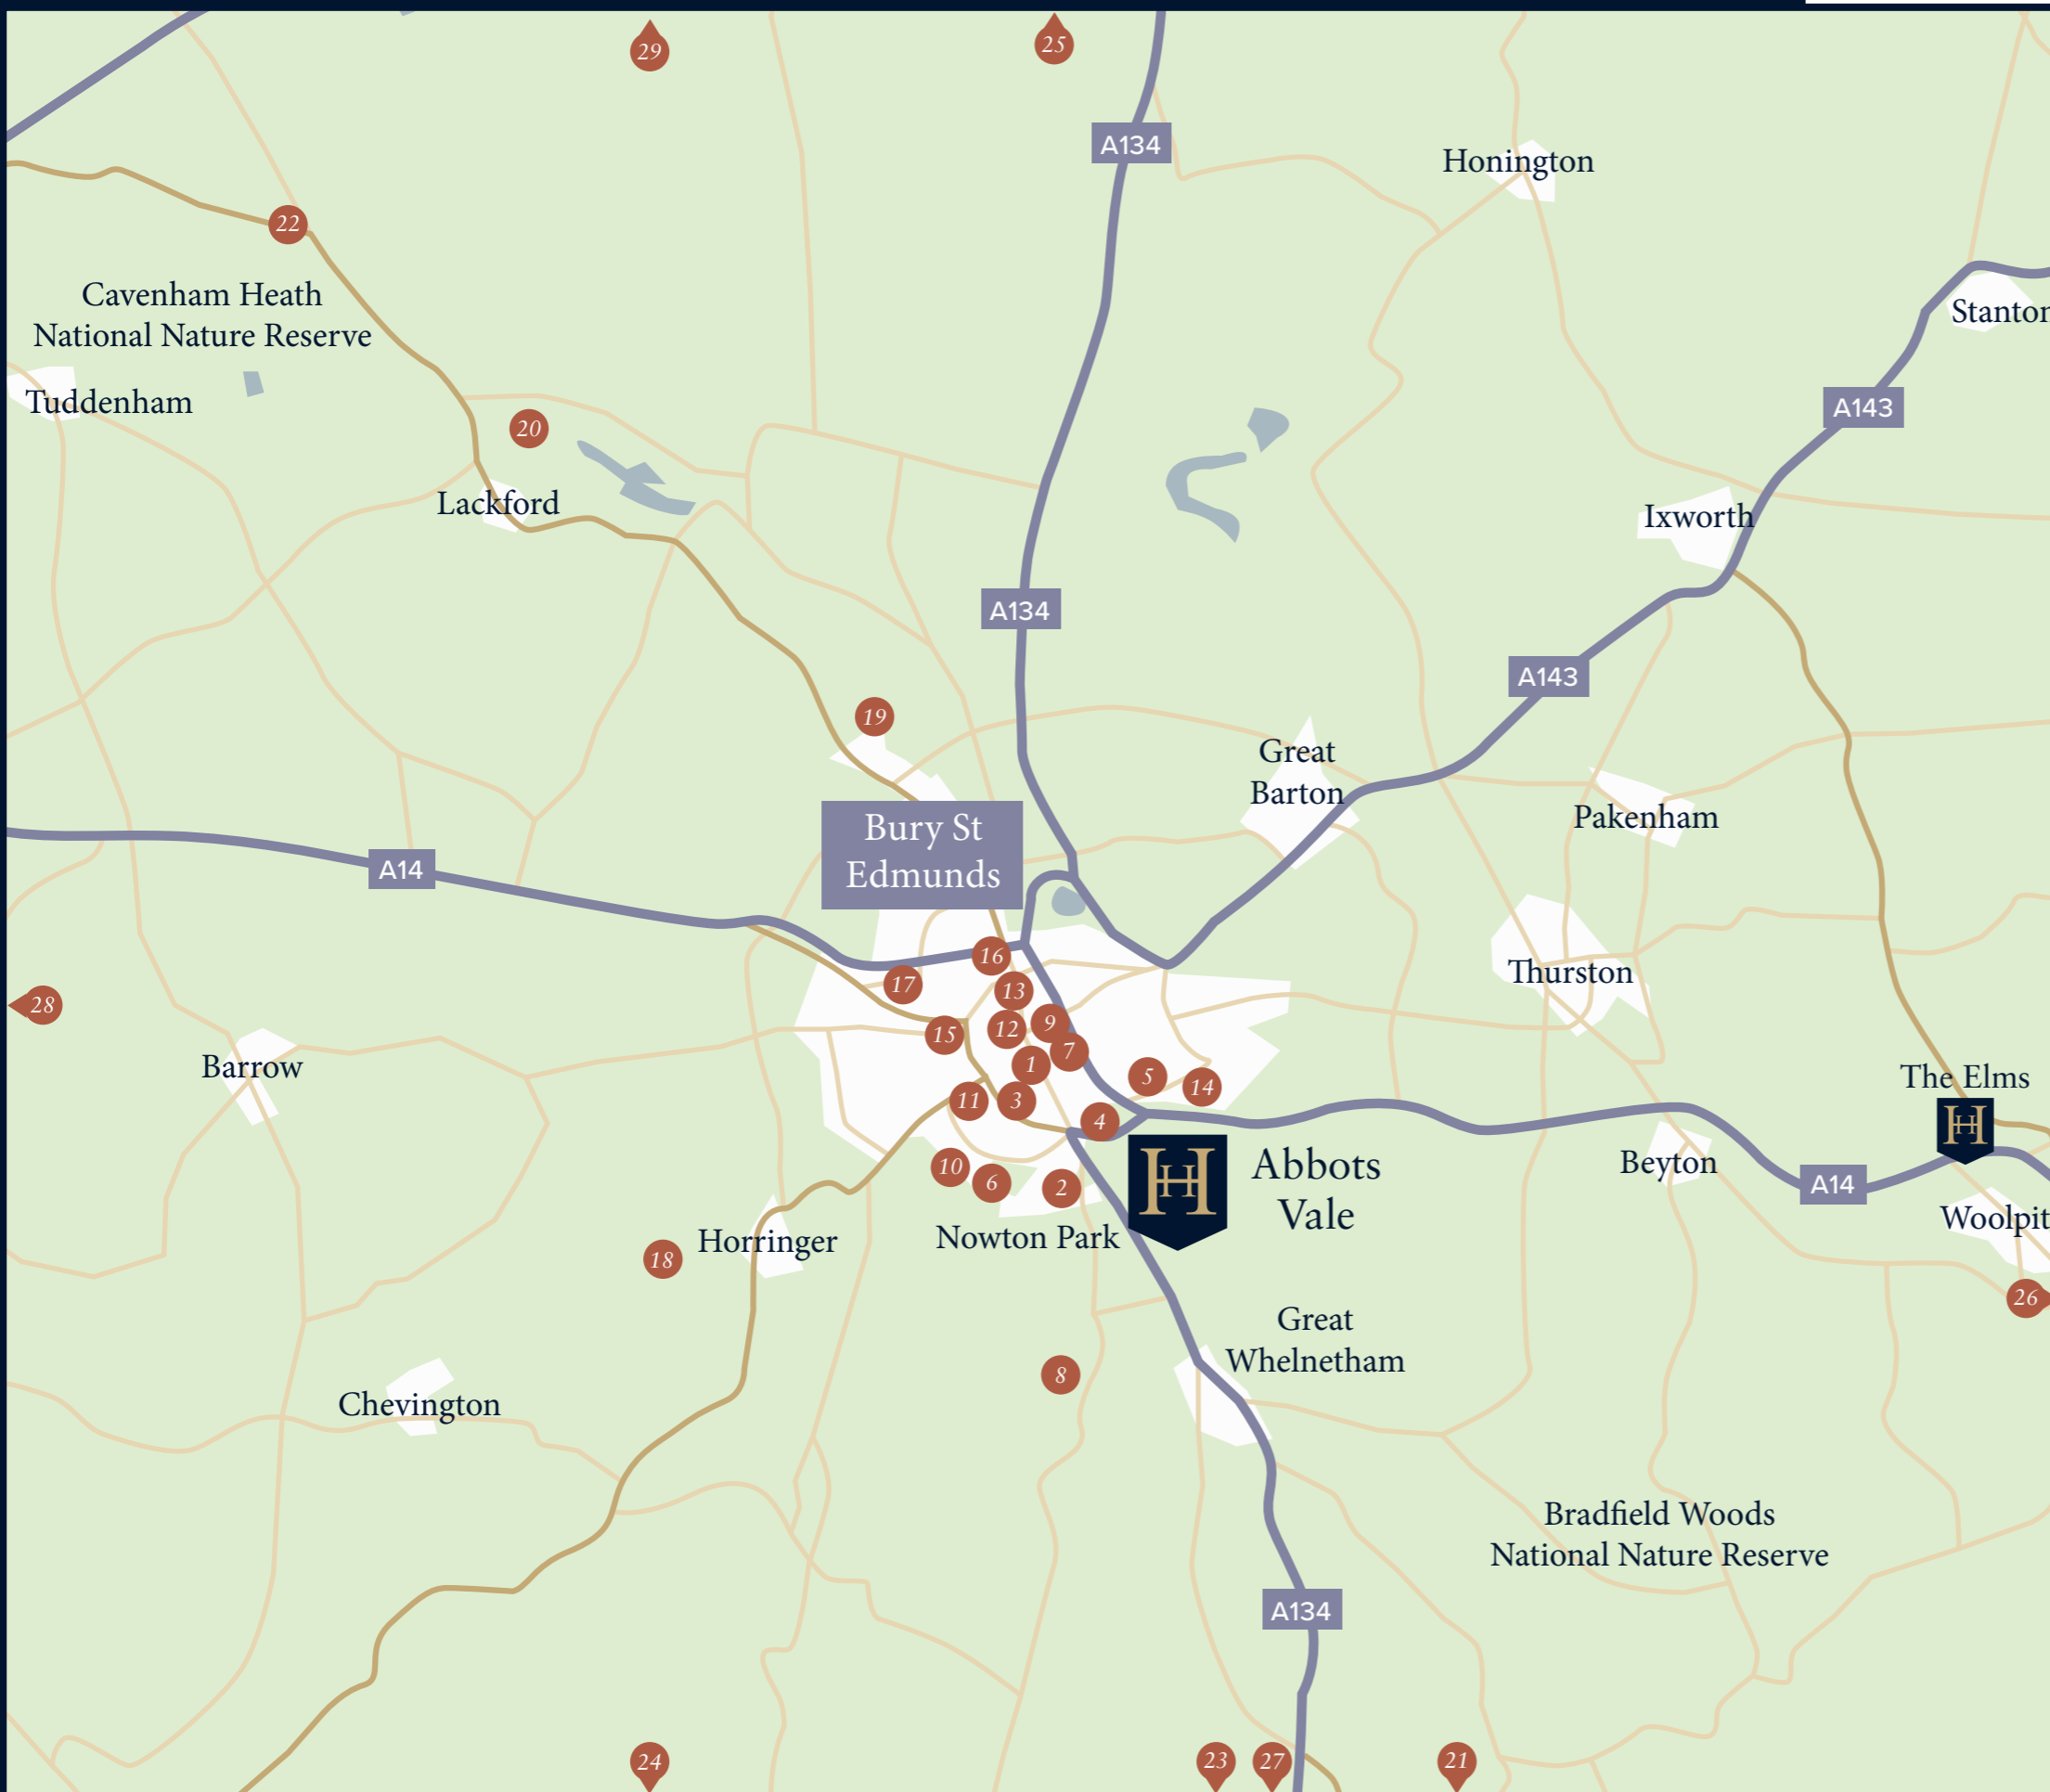

Boasting a rich brewing heritage, Greene King has dominated the town's beer production for the last two centuries. While The Nutshell, Britain's tiniest pub, has been quenching thirsts since 1867, it's just one of many charming establishments dotting the town.

For those seeking a more active pursuit, Nowton Park offers a refreshing alternative. Just a short distance from Abbots Vale, this expansive green space features winding walkways, a spacious playground and various sports facilities, providing the perfect setting for a health-conscious day out.

It is not possible in a brochure of this nature to do more than give a general impression of the range, quality and variety of the homes we have on offer. The computer generated imagery, floor plans, configurations and layouts are included for guidance only. The Properties may vary in terms of elevational design details, position/size of garage and materials used. Such changes are due to our commitment to creating homes of individual character, although similar to others. We operate a policy of continuous product development so there may be material differences between the accommodation depicted in our literature and that on offer on any particular development or at different times during the progress of any development. Maps not to scale. Computer generated images of property types at Abbots Vale may not necessarily illustrate that property type in its setting at this development.
