The Hopkins story.

We dedicate ourselves to craft, care and social responsibility. Building timeless homes and thriving communities that protect and respect the environment, for this generation and the next.

“When we started looking for our dream home, we knew we wanted a new build property that was located in the heart of Suffolk’s countryside but still offered all the facilities and amenities we needed on a day-to-day basis. Thankfully we have got all that and more with our Hopkins home, and it really stood head and shoulders above anything else we looked at.”

Ben and Charlotte Cobbold – Mill Grove, Stowmarket

“Buying your first home is daunting enough but luckily for me, Hopkins Homes was with me every step of the way.”

Ella Dowling – Woodland Rise, Barrow

“We love our new home. The house itself is beautifully designed and finished. All those working on the development are friendly and helpful and nothing has been too much trouble, from supporting us during the purchase through to answering queries in our first few weeks of ownership.”

Sarah Brown – Birch Gate, Wymondham

The Hopkins legacy.

Proud of our contribution.

We're proud of what we do and of the contribution we make to people's lives and communities. However, while it's great to be recognised by industry experts, we never rest on our laurels; that's why we continue to be awarded year after year.

Church View benefits from glorious views onto open countryside.

OFFERING THE BEST OF BOTH WORLDS: CALMING SCENERY WITHIN EASY REACH OF TOWN LIFE.

The pretty village of Bramford, located on the westerly outskirts of Ipswich, is home to the meandering River Gipping, providing delightful riverside walks.

There is plenty to be enjoyed by waterway enthusiasts. The Bramford Meadows Local Nature Reserve offers serene surroundings and the starting point for walking routes, whilst The Suffolk Water Park – and its incredible café – is available for fishing. Other amenities include Bramford Sports Pavillion for bowls, football and tennis, as well as a range of eateries, shops and convenience stores.

Historical highlights include The Bramford Cock, a Grade II listed pub built in the 15th century, serving locally-sourced, home-cooked classics. It also offers regular quiz nights and private function availability. St Mary the Virgin Church is the oldest building in the village, dating back to the 13th century.

Today, it's popular for the many bars, cafés and bistros perched along the water's edge, with charming views over the marina, day and night. Festivals and events are held throughout the year, including the Ipswich Maritime Festival every summer. Plus, you can take one of two highly-rated river trips from the waterfront via Orwell Lady and Sailing Barge Victoria.

With easy access to the A14, you'll never be short of things to do in the area. A little further south you can enjoy a day at the renowned Jimmy's Farm, home to over 100 different animal species. Take pleasure at Pin Mill, a National Trust location with panoramic views over the River Orwell, an array of lovely walks, and The Butt and Oyster pub; simply perfect on a sunny day. Fancy travelling beyond the county? Ipswich train station is nearby, providing various travel options further afield – including access into London in just over an hour.

Building homes is our vocation, not our job.

From our most experienced colleagues to our new starters, a desire to build a great product is one we all share and are driven by.

Our designers, architects and craftspeople are dedicated to building warm, welcoming and modern homes for the future by using the tried-and-tested housebuilding traditions of the past.

Our experience and attention to detail mean we build homes our families would be proud to live in. We take pride as a team in what we do, the legacies we create and the positive contribution we make to the communities in which we live in.

The computer generated imagery, floor plans, configurations and layouts are included for guidance only. The properties may vary in terms of elevational

design details, position/size of garage and materials used. Such changes are due to our commitment to creating homes of individual character, although similar to others. We operate a policy of continuous product development so there may be material differences between the accommodation depicted in our literature and that on offer on any particular development or at different times during the progress of any development.
